### **Institute of Analytics (IoA) Student Membership w.e.f 1<sup>st</sup> July 2026**

LEB and IBES are pleased to announce that we have secured a discounted student membership with the Institute of Analytics (IoA) for all students undertaking IBES and LEB programmes.

The Institute of Analytics is a globally recognised professional body for analytics and data professionals. Through this partnership, students will gain access to valuable industry-focused resources, learning opportunities, and professional development support designed to strengthen employability and practical skills in analytics and data science.

### **Membership Benefits**

Students will benefit from:

- **Building a Professional Foundation Early**  
Gain access to world-class learning, certifications, and career support specifically designed for students beginning their journey in analytics and data science.
- **Industry Skills & Certifications**  
Access leading learning platforms and resources including DataCamp, DataQuest, and the IoA Learning Hub, covering key industry tools and technologies such as Python, R, SQL, Power BI, Tableau, and more.
- **Student-Focused Learning Content**  
Benefit from structured learning paths, workshops, and practical projects tailored for beginners and developing professionals in analytics and data science.
- **Industry Insights**  
Stay informed about emerging trends, industry case studies, and expert-led sessions delivered by global leaders and practitioners.
- **Career Support & Employability**  
Develop a professional portfolio, participate in networking opportunities, and access employability guidance to support progression into analytics and data-related careers.

### **Membership Fee and Payment**

Please note the following membership fees:

- **LEB students:** £60
- **IBES students:** €70

The membership fee will be collected either:

- via the approved learning centre; or
- directly at the time of payment of tuition fees or the first instalment payment.

The discounted Institute of Analytics membership is valid for **12 months**.

Upon enrolment, LEB and IBES will submit students' names and email addresses to the Institute of Analytics to activate membership access.

### **Important Information**

Unless stated otherwise, Institute of Analytics membership will become **compulsory from 1 July 2026** for students of IBES and LEB.

Further information regarding membership activation, access arrangements, and onboarding guidance will be communicated in due course.

We believe this initiative will significantly enhance the student learning experience and provide valuable professional advantages for future career development.

Thank you for your continued support and cooperation.
