Dear Colin,

Confirmation of Dual Award programs

This letter is confirmation that **Institut Brittany d'Enseignement Supérieur ('IBES)**, France has a Dual Award Agreement with VERN University (VERN') for the following programs that are to be delivered off campus by 'IBES:

1. Master of Business Administration - 90 Credits
2. Doctor of Business Administration - 120 Credits
3. Doctor of Education - 120 Credits

VERN' participates in the programs by evaluating students' final projects/thesis/dissertations... and issuing certificates accordingly (details to be found in Dual Award Agreement and its Annexes) and is committed to the academic standards of the awards. Students enrolled in any of the above programs may be awarded with two certificates (one certificate from IBES and one certificate from VERN') if they fulfil the conditions and requirements of the program.
