Subject: Brittany Université Renamed Institut Brittany d'Enseignement Supérieur (IBES)

To Whom It May Concern,

To better reflect our mission and align with French educational standards and regulations, **Brittany Université** has officially become **Institut Brittany d'Enseignement Supérieur (IBES)** as of **1 January 2024**, in accordance with Article L731-14 of the French Education Code.

The new name, **Institut Brittany d'Enseignement Supérieur (IBES)**, better reflects our mission as a higher education provider and training organisation. It also reaffirms our identity as a dynamic, student-centred institution dedicated to accessible, high-quality education and lifelong learning.

As part of our ongoing dedication to quality, IBES maintains the following accreditations and recognitions:

- **Accreditation by the British Accreditation Council (BAC)** as an Independent Higher Education provider. The BAC is a full member of the European Association for Quality Assurance in Higher Education (ENQA) and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE), and is listed on the European Quality Assurance Register (EQAR).
- **Qualiopi Certification**, issued by the French Ministry of Labour, confirming the quality of our training and development processes.

We are also proud to share that our **TESOL certification – Enseigner l'Anglais Langue Étrangère (TESOL)** – was officially registered in the Répertoire Spécifique under the code **RS6929**. This registration, overseen by France Compétences, confirms its recognition as a state-accredited qualification.

As we move forward as IBES, our mission remains unchanged: to deliver excellent education, foster personal and professional growth, and remain a trusted partner in your lifelong learning journey.

We remain deeply grateful for your trust, support, and commitment to our shared mission.

Warm regards,

Colin Pereira
Executive Chair
